CRIMINON MEANS "NO CRIME" | REHABILITATION IS POSSIBLE

2ND QUARTER 2021

Our volunteers are united by purpose

Criminon Florida

is part of an international non-profit network dedicated to helping inmates learn to be productive members of society.

WHO IS CRIMINON FLORIDA?

The Criminon program plays a key role in ending recidivism

Criminon Florida is a non-profit organization staffed by volunteers dedicated to helping offenders regain their self-respect through educational programs. Our volunteers are people of all races, religions, creeds and walks of life. We are unified by a certainty that the Criminon program works and plays a key role in ending recidivism.

Our rehabilitative material comes from the nonreligious works of American author and humanitarian L. Ron Hubbard. In the late 1940's, Mr. Hubbard worked as a Special Officer for the Los Angeles Police Department. His duties were virtually the same as a regular officer, except he could only make a "citizen's arrest."

He walked one of the most challenging beats in

Los Angeles, where roughly 30% of the city's violent crimes occurred.

This experience led him to the one common denominator that marked anyone's start on a career in crime. He found every criminal career began with a loss of self-respect; when a man could no longer trust himself, only then did he become a real threat to society.

We have seen our programs restore self-respect time and time again, so we at Criminon Florida have dedicated ourselves to this cause.

In the words of student James C, "When I govern my life by a moral code that displays self-respect, it adds value to my life and the lives of those around me. It makes my part of the world a better place!" - **The Criminon Florida Team**

WHAT CRIMINON STUDENTS ARE SAYING

THE WAY TO HAPPINESS

I have learned that being a better person in everything I do day to day - doing things for the people I'm around - brings me happiness. This course showed me I can be humble and compassionate in every aspect of my life. Feeling good inside is important for my wellbeing. I am the one who can make me happy.

| **Donna P.**

SUCCESSFUL PARENTING

This course to me, had lots of benefit. Who can't use time-proven strategies to ensure that children in your life grow and mature into honorable, honest, ethical self-thinkers? The course endowed me with the skills to be a successful role model for every child with whom I come into association with.

| **Daniel E.**

PERSONAL INTEGRITY COURSE

This course sharpened my critical thinking skills when it comes to

the morality of a society, and explains the mechanics which motivate certain acts, as well as the reasoning behind these behaviors. On a personal level, this tool will certainly guide me in carefully evaluating each decision or choice I make, and the long-term effects they will have on me and others. | **Richard W.**

CONDITIONS OF LIFE

This course opened my eyes to the specific conditions which exist in my life, both high and low. It also showed me that each condition has a formula which improves each condition. What this course really showed me is how to be patient and read until I have the right understanding of what I'm reading.

| **Eugene A.**

HANDLING SUPPRESSION

It was very difficult for me to deal with the everyday suppression and oppression being inside this prison until I took this course. The success that I am experiencing now everyday

has helped me to make the right choices and changes in my life. I lost my trial, but I am a winner in prison.

| **Clint N.**

THE TRUTH ABOUT DRUGS - EXPANDED

Because of this course, my entire outlook on drugs has changed and I have no problem saying no! Drugs are a slow way of committing suicide. | **Mohamed R.**

THE TRUTH ABOUT DRUGS

Completing this course made me look back in my past to when I was "that guy," and that opened my eyes to the fact of how many times I could have died due to drug use. I also learned that at certain times when I have felt high, it wasn't my imagination, it was the drugs stored in the fat in my body. After ALL those years the drugs are still in there.... A real eye opener. | **Lee B.**

HANDLING SUPPRESSION

This course covers the reasons why a person feels like something is holding them back or stopping them from reaching their goals. Based on the 12 characteristics of the antisocial personality, I can detect destructive people, so it has made it easier for me to become the man I'm truly trying to become. Now that I can see these people for who they are, I'm able to keep my distance. | **Marc V.**

LEARNING IMPROVEMENT

Despite being a college graduate, and that I practice law 24/7, have 21 active cases I represent.... and write over 50,000 words per week in applications, motions, petitions and letters...I found time for this course. Thanks to this course, my whole world has changed! It made me richer, wiser, and more powerful. Criminon, you're the greatest! | **Joseph L.**

THE WAY TO HAPPINESS SEMINAR

This seminar helped me see how to look at life in the positive rather than negative, how to help others, how the good things in life you give out come back, how things happen for a reason. What I did in the past doesn't define who I am or who I must be. It's just a chapter and I can learn from it and correct it. | **Michael P.**

STELLAR STUDENTS

What is a Stellar Student? He or she is one who has completed all of the required courses in our program. That is definitely an accomplishment. All of you should work toward becoming Stellar Students. You'll be glad you did.

Very well done to all of the students listed here for becoming a Stellar Student this quarter!

STELLAR SUCCESS

Through this program I've found myself at a constant increase in growth, learning and understanding, in self and life. This program, if used properly, can give anyone the knowledge to overcome negative thinking and action that we seem to hinder within ourselves. Give it a shot because knowledge never hurt anyone, only doubt does. | **Cody H.**
