CRIMINON MEANS "NO CRIME" | REHABILITATION IS POSSIBLE

4TH QUARTER 2021

## Criminon Florida

is part of an international non-profit network dedicated to helping inmates learn to be productive members of society.

Reach out to your fellow Man and assist his survival, for the good of all.

# SHARING THE WAY TO HAPPINESS

*The Way to Happiness* makes the world a better place.

L. Ron Hubbard wrote *The Way to Happiness* in 1981 to help arrest the current moral decline in society and restore integrity and trust to Man. It was not specifically written for use in the rehabilitation of those who have committed offenses, but rather for the benefit of all men, women and children who were operating in a world that had lost its way.

The conduct and actions of others affects your own survival. *The Way to Happiness* includes helping your family, friends and indeed everyone you encounter as you travel through life.

*The Way to Happiness* wasn't meant to be known to only a few fortunate men and women who happened upon it, but was written with the intention of being passed from one caring person to another. We at Criminon Florida invite you to do just that.

Begin by asking your peers to start *The Way to Happiness* course. Then ask your friends and family to visit [www.thewaytohappiness.org](http://www.thewaytohappiness.org) and enroll in the free online course there so they can better understand your journey and reap their own benefits from the wisdom therein.

*"True joy and happiness are valuable. If one does not survive, no joy and no happiness are obtainable."* The book's second chapter is titled "Why I Gave You This Book" and contains only these six words: *"Your survival is important to me."* Please take a moment to assist the survival of those around you.

Together we can restore integrity and trust to Man.

# WHAT CRIMINON STUDENTS ARE SAYING

## THE WAY TO HAPPINESS

This course was a great way to reinforce my values and morals that had fallen by the wayside. I'm thankful to Criminon for being the light of reason in a time of darkness in my life. I wish others the same success using these tools. I am eternally grateful. | **Patrick H.**

## THE TRUTH ABOUT DRUGS EXPANDED

Self-awareness and stepping out of denial - the biggest steps I had to take in life. Just to understand I had a problem was earth-shattering. When I realized I can handle reality without drugs that was a big step on my road to recovery. Life is fuller of meaning without the drugs in my life. | **Kenny A.**

## PERSONAL INTEGRITY COURSE

By doing this course, the blinders were removed from my eyes concerning some of my behavior in the past. The fact that these truths are finally sinking in and that I can see where I was wrong could be seen as a

success in itself. I hope to one day be able to show my family and friends the better side of me - to one day be the brother and friend that I should have been long ago. | **Lawrence R.**

## CONDITIONS OF LIFE

This course helped me see how the various levels and conditions come into play daily in life. We only need to take the opportunity to wisely observe. Once recognizing the condition, it is then apparent what to do about it - either to improve it or maintain it. Also, learning about our own ethics and how justice is meted out by others if we refuse to correct ourselves is described in this context. | **Jeffrey M.**

## HANDLING SUPPRESSION/UPS & DOWNS

I was able to get a clear understanding of different personality types and be aware of the traits that clearly identify individuals who are doing everything in their power to cause conflict. | **Jack T.**

## THE TRUTH ABOUT DRUGS

I've been through Narcotics Anonymous programs and none of them provided the info this course did. Such as the fact that substances can stay in your body and have the potential to release small remaining amounts back into your system. The information was raw and not sugarcoated. This course should be mandated in DOC facilities. | **Irene G.**

## LEARNING IMPROVEMENT

This course gives learning a simplicity and clarity I never experienced before. It is fun to improve my learning abilities. It makes me feel smarter than before. It has changed my life and my confidence level has grown. | **Brian S.**

## COMMUNICATION TOOLS

Communication is an indispensable part of life. This is the epitome of survival and thus it only makes plain sense to master communication to the best of one's ability. I have greater understanding of others and better

insight into what is necessary for others to better understand me and thus my ability to survive has been enhanced by this course. | **James T.**

## SUCCESSFUL PARENTING SKILLS

This course has given me the tools and confidence to be the best parent I can be. I've learned ways to communicate with my son and validate his feelings as well as his input. I've also learned effective discipline techniques to help me show him his mistakes without putting him down. | **Brittany M.**

## PERSONAL INTEGRITY COURSE

I am a better person thanks to this course. My communication and respect for others is better and I'm more patient. I realize I cannot render evil for evil, and no matter what, a harmful action is never the solution. I don't strive to be right all the time. I've seen improved results in myself, and others have too. | **Bjon L.**

## THE WAY TO HAPPINESS

I learned that one can change someone's reality with a small amount of kindness, care and understanding. I've won a lot of people over to positive thinking and living using what I've learned. I know I can change my own perceptions and impact the world even in my limited capacity. | **Clay'teon S.**
