

CRIMINON MEANS "NO CRIME" | REHABILITATION IS POSSIBLE

The Value of Knowledge ALWAYS KEEP LEARNING

Is it important to help others learn too?

n the precept "Learn" in *The Way to Happiness*, L. Ron Hubbard says, *"Those who get along in life never really stop studying and learning... it is a very arrogant fellow who thinks he has nothing further to learn in life."*

Above all else, the quote above applies to *you*, and we at Criminon Florida wanted to take a moment to acknowledge you for being part of that group of men and women who realize there is more to learn and new ways to view and handle the problems you face in everyday life.

Our mission is to get our materials into as many hands as possible and to help our students learn – which most definitely includes the ability to apply – the information in our courses to better their lives and the lives around them. To do that we rely upon our students to help us spread the word about what we do. In fact, in that same precept "Learn," Mr. Hubbard says, "One can help others study and learn if only by putting in their reach the data

> they should have." You can help us do just that simply by telling your friends and associates about us and either 1) giving them a yellow card to fill in and send to us, or 2) having them write to Criminon Florida at PO Box 2396, Clearwater, FL 33757, and requesting to start their first course.

> > We are always grateful for the opportunity to change another life and that one of our students took the time to help someone they know and care about.
